VARIETAL	Morillon, Weißburgunder, Grauburgunder
VINEYARDS	Ried Pfarrweingarten, G STK Ried (Monopol) Fully ripe grapes from the Sattlerhof exclusive Pfarrweingarten site. Steeply rising slopes, excellent soil structure: shell and coral limestone at an altitude of 365 m a.s.l. Certified to organic viticulture AT-BIO-402, selective harvest exclusively by hand in small boxes. Rigorous selection of the ripest berries from Pfarrweingarten.
SOIL	Shell/coral limestone, Opok (a tertiary soil – clay and marl), thin sandy layer. Protected south facing basin location, cultivated solely by Sattlerhof.
VINIFICATION	Fermented and matured on the lees for 18 month in 225 and 300 liter barriques, first and second filling
CHARACTER	Due to the tiny harvest volume, we blended the Burgundian varieties Pinot Blanc, Pinot Gris and Chardonnay. Very concentrated, intense nose with macadamia nuts, dried apple and quince, and a touch of hazelnut butter. Despite all its ripeness, remains refreshing with chalky spice and smoky components. The delicate fragrance of ripe lemon refreshes. Incredibly complex in the mouth, challenging and animating
